- I am making a follow up call Monday to make sure the funds are still going to be paid for by the Sterns Burton Lecture Fund. The contact person was unavailable this week.

Beth Somero has decided not to run the farmers market on this day. I will be sending an email to the vendors just so they have the option of still coming.

I have a beginning list of vendors is anyone interested in keeping track of vendors and their locations? This will include the day of for setup.

It has always been Debs thing to ask people to bring a canned good for the food pantry and I think we should keep this tradition. Any volunteers for this?

Typically we have organizations run some things. If we can't fill them I have a list of kid volunteers willing to do so.

We will need cleanup crew. Yes including poop scooping. We will need a wheel barrel and a shovel but also cleaning up any trash etc. Its soccer season and it needs to be ready for practices on Monday.
