Closing Policy

- The pool will be closed for 30 minutes if thunder is heard or lightning is seen by pool staff. The pool will reopen 30 minutes after the last clap of thunder or lightning sighting. If a lifeguard cannot see the bottom of the pool due to heavy rain, the pool will be closed until the bottom pool can be seen. The pool deck must be cleared during these times.
- It will be up to the discretion of the Pool Director/Head Guard whether or not the pool will remain open in the event of extended inclement weather or lack of attendance* (evening open swim).
- We will record a message on our answering machine and post on Facebook if we close early.
