		1904180232	CITIZEN REQUESTED ASSISTANCE	██████████ requested advice in reference to a person staying at his house as a guest. ██████████ advised that the guest is not a tenant nor does she rent or have a lease agreement. ██████████ asked if his guest refused to leave after her agreed length of visit would the police be able to assist. I advised ██████████ that so long as she is only a guest, not paying rent and there's no lease agreement NIPD assist by asking her to leave his property and if she refused she could potentially be charged with Criminal Trespassing. I suggested to ██████████ that he draft an agreement with his guest outlining that she is only a guest, not paying rent or protected by any landlord/tenant laws and will leave upon his request. ██████████ thanked me for the advised and this ended our conversation.
